AZAROV

A photograph of a stone building with a balcony, partially obscured by trees and a large watermark. The building has a light-colored stone facade and a balcony with a decorative railing. A large, dark tree trunk is in the foreground, and a smaller tree with green leaves is to the right. A decorative metal fence is visible in the bottom right corner. A large, semi-transparent watermark "AZAROV'S" is overlaid across the center of the image.
